## PROFILE

A highly skilled IT Manager and Corporate Trainer with strong expertise in information technology management, team leadership, and technical training. Adept at bridging the gap between business and technology by ensuring smooth IT operations, developing strategic IT solutions, and enhancing workforce capabilities through effective training programs. Known for excellent problem-solving, communication, and leadership skills, with a proven ability to manage complex IT environments while mentoring and empowering teams.

## WORK EXPERIENCE

### TechSolutions Pvt. Ltd., Coimbatore

- Oversaw the day-to-day operations of the IT department, including network infrastructure, server maintenance (Windows / Linux), security management, and helpdesk support
- Coordinated with other departments (HR, Finance, Operations) to understand their IT training needs; developed and delivered customized training programs (e.g. network basics, cybersecurity awareness, new software rollouts).

### Infoview Technologies Pvt. Ltd., Coimbatore

- Directed IT operations Including Infrastructure management, application support, cybersecurity, and user services across multiple business units.
- Designed and delivered corporate training sessions on networking, cloud platforms (AWS, Azure), and cybersecurity awareness for employees and clients.
